The evening is intended to provide all families with a general overview of the planned activities for the year, in the first instance, followed by more specific class information related to the intended teaching and learning to take place for the year.

Please note that this evening is not intended as a specific parent/teacher session to discuss your child. This will take place later in the term (Wednesday 9th April 2014-Week 11), once your child has settled into the normal class/school routines. As always, should you be concerned about any aspect of your child’s schooling, please contact your child’s teacher to organise an appointment at a mutually convenient time. We find this approach much more productive, as opposed to making enquiries of teachers ‘on the run’, which can often be distracting to the class and is not an ideal forum to discuss what can be private and confidential matters. A formal time allows all parties to focus on the central issue, that being your child, in a quiet and appropriate location. Thanks for your cooperation in this matter.
